

IT'S TIME FOR JUDGMENT

August 2, 2013

For the World Church Body of King Jesus

The Great Way speaks His will to the Church as a whole:

Doesn't it seem a way that must be moved on with great power? No human march or picket way will bring a shift in the nation known as the United States of America. What would break the bondage that you witnessed in this nation concerning what plan the people move to drink in deep details? Where is the Church way? What is the root of the lack of power? Where is the unity in the Body of the Great Way King Jesus? All that the nation has a way to drink in Church ways is that "it really doesn't matter how you live; it shall be a merciful God who will still take you to Heaven." Where is the power way for living in the Great Way? People—they are moving in deep blindness to think they will receive eternal life if they go to a church building each Sunday and do a few good works. That is a false security in the human way to live on this earth. There are so many splits in God's house of worship that I have had to come and visit this way, to have it in a way for deep judgment. "It is time to be put in place to serve You, Great King," should become a deep mourning way in church buildings and gatherings of God's people. The wheat and the tares will soon be separated, where the true Church will rise up and take her place in being ready for the return of Christ, the Great Way King Jesus. How many Christians follow God's powerful plan for life eternal? How many truly live for King Jesus? How many take up their own crosses to follow Him in all details? People look as the world when the plan is to look as a Kingdom citizen. What does it say to people in the devil's will when a church way lives as a servant of Satan would? Shouldn't a powerful God be able to put a will in place to gather the true church way unto His way in being a true light in this dark world? How many Christians have a true relationship with God, where they know His face in deep intimacy, not lip service?
