Message: The Natural Leader of Rain

For the United States of America

A scribe angel delivers the will of the Great King Jesus:

I have major details for you to speak into the earth way. It will move in bringing a great deal to the surface, for the nations will truly see that you are a true servant of the Great Way King Jesus. The details you will drink—they're in the secret will of the Great King. This way means you are given details that no one knows of at this moment; for you will taste a deep plan in the King's will; for the season in which the nation that you currently live in will move in being a way that shall be very clear. It will be a true detail, so the name of the Great Way King Jesus will be given a place of great honor. Most have no way to truly know a great plan you will drink in this detail with a natural knowing. And you will prove in these details that you truly know the Great Way in your soul and all parts. Now the will way is clear. You have to be presented as the servant of the Lord Most High. And since you have not been trained by earthly mentors, the Great Holy Spirit will move to show the servant in a way of presentation to cause the earth way to see that there is a true servant in the earth way. But *calling* will not be enough to show the world the will way you have been given. The Great King must truly move to present you as a servant made ready for the world way. You have been given a calling that shall influence the world as a whole, not just one nation or even nations. The world in all realms and regions will be affected due to the worldwide calling that you move in. It is the will that you move in this day. So, to fully move in this level of authority as delegated to you by the Great I AM will require a major God backing you in the field that is the earth way. So, you have been trained in a direct way with the Great Holy Spirit for the work way in being a deliverer, a prophet, a general, a queen, a Kingdom leader of Rain. And the servant is truly ready, for you have been commissioned and

shall be seen in the earth way so the name of the Great King Jesus will be exclaimed in full moving; for the season is here for a worldwide harvest. You have a purpose to move in this way. You have a purpose to build a bridge with the churches to bring a will way to bring them into a unity detail. Churches are calling out to Me for healing. They are looking for a new way. Churches are looking for a true moving in a will to bring a change in their way. The people of the earth look at all these different religions; they don't know what to believe. They look even for a plan to be a will to worship, for they will say within their way their only hope is to be with their own way. They have given up on Yahweh. They have turned to worship false gods. They will learn of the One True God in this major will that shall be greater than any moving ever in the earth way. They will truly see that there is only one God and that a plan is here to taste Him in a deep detail that will clear the fog, where people will be able to see Him. This detail in seeing shall be a supernatural will, where the people will turn to drink the Great Way King Jesus and will receive His way in eternal living. It will take a great moving to make you give the full way in the will given to the nations, where they will look and say that there is only one God. How will it take place? By the power of the Lord Most High, Creator of the heavens and the earth. There will be a shaking in the earth such as never seen in the history of the human plan. I will truly move to do a new thing such as never seen in movings of the past. I will cause the nations to turn to look and drink you. You have been given a will way to speak in the earth to move in a Kingdom will, to move in infiltration of a way that shall be greater than any plan ever given by a church moving. The plan is to prepare the world for the return of King Jesus, and you will begin with the United States of America. This nation has many divisions within its way. They look to pretend, so all will think there is unity in a way that the nation moves. But truly, there is a break in the way with this nation. The people hurt each other just to get their own way. The nation has turned from serving the One True God. Their way is truly displeasing to the Great Way King Jesus. The church way in the nation is moving as the world, where they have blended in to be treated in a way of no persecution. There is a lack of true love for the will in doing what King Jesus would will in these details in

church ways. The people have made each other their god by moving in a plan to be as the other in a way to feel important. The nation hurts. The will plan that you will drink shall be to move in a way to bring healing to each state from their root way in which there moved a deep sin. The curses shall be broken as each state gives up that plan to hurt the moving of what brought the pain. It shall be made clear to the servant so she will meet with these state leaders, who will move in an *authority* way in that detail to bring true healing in the United States of America. The hatred towards the nation's leader will shift as the nation has seen a root detail. That detail can be broken, but only will this detail be broken when the people forgive them in the hurt that they received from the previous movings in the history of the nation as a whole. The root of rebellion is deep in the United States of America and must be dealt with in a way from the removal of the way the nation was founded. This means the people must move to set in place a new will, where they no longer seek to do what they would will but will move to seek the Great Way King Jesus in the way they move in placing the government in order. Laws based on a human will, will not be a secure detail when tainted with a deep root of rebellion from its very beginning. Now, some will say this nation is a Christian nation. It truly is not so, for if the will way of the nation moves against the will of the Great God, there will be no moving as one. The first message is given. The servant will drink six more and will speak one dealing in a separate matter concerning the nation's leader. It is truly the will way of the Great King to move in bringing a way of healing and redemption, where it can be tasted to have the nations embrace a Great King. This will way is sure. The moving is here. The King's will is good. The will way is good. The plan of Kingdom plan has come, and the great will of the King will be done as given in the name of the Way King Jesus. Servant, take what has been given and give it to the nations, for the season is here for you to move in the King's will to preach the Kingdom and prepare the world for the return of the Great King Jesus. A message has been given for you to deliver in this day. You have received it from a messenger—a scribe angel. Now go and give it in the earth this day.
