To the Whole Earth

Yahweh says:

Now the time has come for earth-shaking details in what the Great Way wills in great power in the servant as the Great Way shall have it released into your earth. Amen. Powerful changes are in the Powerful Great Way's will this day. Yahweh speaks it.

I will make it plain that there will be a major earth-shaking detail, such as never seen in any previous plans or spiritual events. There is moving in the unseen, a great detail that will make it clear that a new world is taking shape in a great Kingdom powerful shifting that shall make it so that the earth drinks what is filling you this day, servant. There shall be a world-moving in soul harvest, such as never seen in any previous will ways given. There will be earth-changing movings to shift what the land has been drinking in what is named "Satan's will." There will be a great awakening, such as never seen in the whole earth due to portals from Heaven opening while the Gospel is shared in God's power. Many will drink it and will turn to drink eternal life in the Heaven with the Lord of all, in God's Kingdom.
