

THE PLAN OF KINGDOM RULE

November 2, 2013

For the World Church Body of King Jesus

The Great Way says:

Now it is the time to drink the major message that will bring a major shift way into church details worldwide. Now, servant, speak the will that your Great Way places deep within you. Surely, the season is moving to move into a way of great details that will shift the church dynamics. It is the will in the Great Way to move into church ways with great force, to bring a message of repentance, renewal, and rebirth into the new earth way in Kingdom power and authority. It is time to move out of complacency and into a way of renewal. It is time to move into Kingdom order, away from manmade structure in thinking. It is time to empty out the old way, to replace the containers, and to fill the new way with oil.

How can churches think they will reach a Holy God with more works and with greater crowds? Many will prefer to see church ways filled with people, to say they have it made. I would prefer to see two or three people gathered in My name, who move in seeking My will and then moving to pray My will. There is authority in the name of King Jesus. There is great power in the name of King Jesus. There is breakthrough, healing, wholeness in the name of King Jesus. Powerful changes will be made clear in God's work. People do not have to prove God. All that you would have to do is obey His will and let Him move His will into earthly details.

Prayer is critical to learning God's will, yet most do not truly know how to pray. They think prayer is a ritual that you would repeat in a way to say certain things each day. There is a way given in God's will for His people to move in shifting their earthly details through prayer in powerful ways. Prayer can be with purpose, and prayer can be with vain repetition. Where is it different? You need to truly see it is relationship with Him

that is the most important base that will be needed. You will move in greater levels in affecting this earthly way if you choose to only pray God's will, yet many move in feelings, to pray those feelings. If they will learn it in their spirit way: to please God is to move in faith, with faith coming through hearing the Word.

Get more Word in you in learning to read His written Word as well as listening to His spoken Word. People will learn great things. They will learn Scriptures. They will learn important basics in God's will in written Scripture, but many have turned their ear from hearing what the Spirit is speaking this day due to thinking that the Great King is not speaking in a way to be heard in spirit and in truth. People: look to drink it. His plan will be made clear as you seek His will through the Great Way's Spirit called the Great Holy Spirit, who is the third Person of the Godhead. People: ignore Him no further. Embrace what you hear Him speak in your church way. Get in a position of humility, and make a way within to seek God's forgiveness for ignoring His Spirit. You will not be given a way to hear further when you ignore His first message to you. Any detail that God speaks is His Word in full weight. Just because it is not written in Bible form will not take a weight away from it: That would make it seem that only what man gauges to be His Holy Word would truly be. For man put certain details of God's spoken Word into canon details, to say, these are the only inspired Word details. Yet man has removed certain Books or even changed the original meaning of the message given. Many versions of Scripture have changed so deeply, it no longer bares the plan that was original.

There have been many cults formed who have written their version to say people will go into eternity, living with Me, if they embrace others as the way to eternal drinking in life. My Word is clear: Salvation will only be given through the Great Way King Jesus, for He is the only Way to Heaven. King Jesus is the Way, the Truth, and the Life. King Jesus said He will never leave you, nor will He forsake you. Yet many in church details would assume He will not let you move in free will still. He will give you strength to endure. He will give you strength to deal with any detail, but if you truly want to leave Him and serve Satan, the way to stay with Him will not be forced. You can leave God if you choose to. Here is where churches get deeply confused: They will say you cannot

lose salvation. But salvation in the Great King is a birthing into spirit living in Christ that will be given to those who would choose to serve Him. Yet it will be taken from you if you say you do not want to be His any longer. It is the new covenant, not as written in the old. Your name can be removed from the Book of Life; it can be blotted out. Read the Book of Deuteronomy. Read the Book of Revelation. Read the Book of John. Read all of My written Word, but also hear Me in this detail: Free will is not taken from you when you turn to Me. Satan would make you think you can live any way in My Kingdom and still go to Heaven; it will not be so. You can choose to go back into the world.

Many would use grace to say they will be able to continually sin over and over again as if the blood of Christ is not powerful enough to break the old way from you. Get a power way and be with Me in My great presence continually. Spend time with Me—just resting, just seeking, just listening. Learn to hear Me in the spirit way, not through feelings and moving in certain actions of the flesh in manifestations. You must learn how to walk in the Spirit, with the Great Holy Spirit leading you. You have to learn to seek Me just as David of old did. When he needed to move into a new will, he inquired of Me. He moved in seeking what I would think. Don't move in thinking that you are covered based on speaking with others who move with certain titles; they may not even have a true relationship with Me.

It is moving this day to learn how to move into the spiritual things of deeper will in King Jesus. Have a way to drink milk in spiritual matters, but grow up, still. You should be training others in the faith, where you move in mature ways over a will in moving of time. This means you should not be a baby Christian in Christ after certain years, as God wills. I have seen it with My way to look into church details, to see church people sit in their certain seat in their way to own, to say to the preacher that they need food. The church people have grown fat in laziness, to be on the milk for decades. They think that you should sit in the pew and do nothing, that it is only the pastor's will way to lead others into Kingdom living. Many will think this is a human will to say these details but truly examine your way. Truly look with what the Spirit will bring, and move in full

surrender to the will in King Jesus. Natural babies grow up. Why do Christians think they can be babies for great periods?

The way is given to do just as King Jesus has commanded you in earthly Kingdom work ways. Go out and win a great soul harvest in your own field. Go out and move in doing the Great Commission. Don't think you need a special approval to speak the Good News. Just be a vessel just as Stephen, who worked tables and moved in great power in the First Church. Do not think you are of so little importance that the One True God would not have any use for you. He made you even if you came into the world through earthly moving in love or through incest or through rape or any other detail. It was still God who formed you in your mother's womb. It was still God who made you with certain gifts and purpose. It is truly God's will to have you move into the fullness in His purpose for you in His Kingdom. Have a way to release hurt and pain to the King. Seek Him. Learn to hear His will with your spirit. Spend a time each day just being with Him as you would with earthly friends. You will love and enjoy being with those you truly care for; what of the will with Him? Have a way within to love God with your soul, heart, mind, and all strength within you. Love your neighbor as yourself. Move into powerful changes as you drink power through Me.

There will be many who will turn to Me, but there will also be a great turning away from Me. This is why you truly must endure to the end. This is why you truly must remain in My love. This is why you truly must have a relationship with Me. My sheep will learn to hear Me when they truly drink Me in a way to be with Me. You will learn the voice of the Great Way through being with Me. You will learn the will in what to pray when you seek Me first, even before praying. Pray in the Holy Spirit. Learn to pray in heavenly languages. Learn to move in the gifts of the Holy Spirit. Learn the powerful ways in Kingdom living.

Earth was made to mimic Heaven, but when the fall took place and sin came into the world, that shifted a great deal in this detail. But even though sin is present, you will still be able to walk in Kingdom power and authority to manifest and bring Heaven to

Earth. Isn't God's Kingdom in each true Kingdom citizen? What is truly here? The Kingdom. And God's Kingdom is in every person in the form of the God of Abraham, of Isaac, and of Jacob named Israel. You have the Kingdom. King Jesus came to this earth to connect the person with Father. You will now be able to commune with Him with powerful changes in your spirit as you drink Him. Who will be the Connector in giving you this way to move in the Kingdom way? Who will be here in you to enable you to do what King Jesus gives you? Who will put you in the spirit way to be birthed in spiritual details? The Great Holy Spirit. The Great Holy Spirit. The Great Holy Spirit. You can speak against God the Father. You can blaspheme His way and His Son. But no forgiveness will be given to any who blasphemes the Great Way's Spirit, known as Holy Spirit.

Be on guard, and truly learn how Satan is a roaring way against you moving in true Kingdom power. If you could be ignorant to spiritual details, he would not move in having a way to fear you. Yes, he will still aim to kill you, steal from you, and destroy you. That's just given to all in God's Kingdom, where Satan hates you. But when you move against what Satan is doing, when you move in winning souls for King Jesus, there is another way in how you truly are seen in the spirit way: You will be a threat, and you would need to be hindered.

But Satan will come and bring deception in church details. He will bring strife and dissension. He will bring envy and jealousy with competition. But the major weapon that Satan uses will be given to you in seeing: That great weapon to destroy will be religion. And with this will being a clear detail, take a look at God's full Body. How many different types of church denominations are there? How many different beliefs are there that have no bearing on church details with Me? How many earthly leaders have distorted My will to place their own earthly will to govern My Body? Man is not the head of the church way but has used religion to put a yoke of tradition, of slavery in spiritual details over My people.

Religion is choking the true Church. People: look at the major will. Put the god of fake details out of your church way. Remove religion. Worship Me in spirit and in truth. Do you know what that truly means? Get on your face towards My will in full repentance for ignoring Me in gatherings, and truly give Me full rule in each detail. What does it mean for Me to rule? This means you will truly learn how to serve Me in rightful viewing as a Great King. I am the God who is returning to this earth to establish Kingdom order in earthly details. And now it is the will of Father that you learn to view Me as so: God and King. King of kings and Lord of lords—you say this of Me, but you view Me as an earthly king.

There is no way you will learn of Kingdom plan when you look at earthly details. Turn to look at spiritual details through the Great Holy Spirit. Give Me full rule in you, where you surrender to Me in each detail by walking in the Spirit. This plan is not easy, but you have a true Helper with you. Now take your place into Kingdom living, with a fresh view of your Great King. Take a place in the Kingdom, with a true purpose in you as given by God's plan. Drink of the Great Way's Spirit. Move over into the spirit way. Have a deep fill, in power ways with God's people in unity, love. All joy in the Great Holy Spirit.
