

NEW WORLD ORDER

The Age of the Antichrist
Part Six

YAHWEH GIVES A SHAKING PLAN FOR THE "NOW" TIME FRAME. YAHWEH BRINGS FORWARD A GREAT REVELATION:

Hear Me clearly, servant. She does not want to begin the reconciliation work. Has she even reached out and mentioned anything? She is not willing to take a chance to get to know who We really made you to be. Let it be this real way that we get ready to leave and live in My will in training for street ministry in this real work.

We seal the door in a permanent shifting and keep it as a monument of what will take way with others that will keep a way in anger against a servant of Yahweh.

We will wait just a little bit to build an income to give out into My work. It is finished. The former way—it is over. Now you clearly see it. What does that say? What does that say? What does that say? I wanted them—all of them—to have that power surging into their whole way. I wanted it for their whole way. I waited. I held you back from Mother's Day.

Yes, I held you back from going forward because if I released you, the ark would have no further openings, no further way to drink from your office mantle, from your power surging. From now on, you will not be given a way to let the cut-off person taste of My power no matter how hard they beg to have it. That's why I held you back. That's why there were no real books planted. That's why it felt so stagnant.

Too bad her covering did not say a word of warning. It is clearly spoken into the spirit realm how I will cut off those who spoke out against this great work. We clearly gave a grave way in a warning, stating that an effort must come forward to show that there is a crack in the walls I could work through. But they will not let you in within. They harbor ill ways. They cannot see that you are a world-level prophet.

But now they will. They will beg to have the crumbs from the garbage that's thrown away, but I will not give them a way to taste what others experience. They will beg for a morsel but will go hungry; spiritual hunger is what I refer to.

It is all over—all of that novice training—ended. And her mentor said nothing to shake that stubborn, prideful person out of her ill way. It is over. No reconciliation was attempted even though Yahweh reached out over and over. I am not ashamed of rendering this judgment against that cut-off soul.

Seek Yahweh when there is a new prophet being presented. Do not shut them out, out of fear. Make sure to keep your whole way open to whatever work Yahweh brings forward. Bring yourself under Kingdom order. The time is here. It is now. It is pushing forward, the new way that was kept hidden until the ark was sealed shut. Begin advertising. Begin My way of engaging the people.

Begin to turn. There is a full shifting. You had a very hard test, which made you be near these stubborn ways who ignored you and had ill ways against Yahweh's work. I release you from the state of Texas. Leave when Yahweh gives a way, and never become settled here—ever. No longer look the old way. Begin the spiritual stripping now.

You are a fully released world-level prophet with a surging powerful way that will build over the next three years from Christmas Day 2021 until the three-year presentation is given into the earth. This is the three-year presentation starting.

This is the beginning of the next part of the Age of the Antichrist. Well done, good and faithful servant. It was a long hard novice training of a thirty-year work span, and you have a major ten years to learn how the actual world-level mantle works.

Go out now. Yahweh will bring the power. Publish all of the books. It's here. The power, it's here.

In the New World Order, it's not just the Christians who will be hunted down. Those who believe in any other "god" and those who have beliefs in another savior will be hunted down. Satan wants no other plan than to move in a controlling nature.

The New World Order will be a great deceiving plan. Who would not want the reward of no more world hunger?

The way Satan will bring order is by deception and great fear. **Pure Evil** will be one of Satan's generals, a spirit prince under Satan who will bring a great way of movings of evil where it seems like the earth is free from light. The opposite of Yahweh's Kingdom will lead.

Pure Evil has his nature portrayed in movies under a filtered presentation. But when **Pure Evil** is released with full delegated surgings to unleash fear and torment, the movie world will feel like Sunday school sessions. The horrors of occultic movies will be lived out in daily living. The torture of the human will step away from the skin culture to a "religion" plan.

No race, culture, or people group will be able to say their plan matters. Human life will not matter. Your race will not matter. Where is a Christian gonna hide?! What movie can portray the real way? The movie would have to be rated R.

If I showed the true ways of Hell, those who watch that will take in a terror way of PTSD—truly afraid of dying, of God, and the afterlife.

Who would make My movie? A pioneer, one who has a true searing of the conscience, maybe who has viewed many different levels of torture. Is that hard to understand? Haven't I trained you with seeing visions of art without a Kingdom nature? Aren't you being trained to see both angels and demons? Aren't you dealing with Satan's workers and Satan himself?

The New World Order is not a plan of government, leading with one natural current world leader. The New World Order system that will build outlets with world-level nations will take away the freedom of the nature in a nation, replacing it with fear of being without. A supernatural power will subdue world power nations and bring them low before the Evil One, who yields to Satan.

No superpower way that is currently in existence will stand when Satan has a way to bring torment over the whole earth.

It's not just the Christians who will be hunted and killed. There will be an awakening to a new level of Satan's evil, given out through the generals **Pure Evil** and **Murder**. These two are actual princes in Satan's governing way, and when I remove My chosen who have taken My gift of eternal living within the King's will, they will have an unrestrained level of Satan's way within earthly realms and regions.

Do not be fooled. No one will have surging power in their own strength to enable them to hide and live within the system with fake marks. The seeing way in the ways of the movies: they see the tribulation from a human's perspective. Get ready for a world-shaking plan in the natural, such as never seen.

Do not look to the local church to make you a follower of King Jesus. Seek Yahweh's Kingdom, not this fake way of living. Worship His Majesty, King Jesus. Let the power in the Great Way begin to lead you. The Great Way returned to Heaven, and the Great Way sent the Spirit of God for guidance and for a way to have a knowing of Kingdom dealings.

Please trust the Great Holy Spirit. He is able to keep you from falling, returning back to a sinful place. Leave a door of your full way yielded open to serving King Jesus. Stop voting for what you want. What does Yahweh say? How do you stay separated from an outside force that is able to bind in the spirit realm yet bring forward natural ways of protection and provision? Easy. Put Yahweh's Kingdom first.

Put Yahweh's will first. Listen to the voice of the Great Holy Spirit. Let God be the Way, the Truth, and the Life in daily living. The web way of deception is already being tested. See how the crowds gather to look at one video, one outlet of social seeing ways.

Would a web begin with seeing the other way and gather data to say what would be needed to bring fulfillment?

Every human needs to eat to stay living. Would food monopolization give birth to a way of leverage over what nation will have success versus who will be in third-world ways? The way in living is how Satan will shake nations off their pedestals of superpower status.

Just one plan of ravaging disease, just one killing off of the crops, world-level destruction of food from animals.

See how easy it will be to bow and serve a **plan** governed with a failing peace plan that still gives out food to starving world leaders and their nations? Why would religions shift? There would be a way of relief in drinking healing with a tangible plan than with an invisible "god." Would your family, or would you take death by refusing the plan within what structure leads?
